The purpose of this meeting is to discuss the Title V Clean Air Act permit issued to Desert View Power to assist with the following CERP goal:

Greenleaf Desert View Power Plant

*Goal: Reduce Emissions from Greenleaf Desert View Power Plant, Action A*

- Work with the CSC, tribal government and USEPA to:
  - Compile air quality information about the facility (e.g., emissions, compliance history, applicable air quality regulations, existing air pollution control technologies)

Please let us know if you have any additional questions.

Thanks,  
Roshni
